

Appl. No. 10/738,472

Examiner: Warren, Matthew E., Art Unit 2815

Supplemental amendment in response to the Office Action
dated January 25, 2005Date: May 27, 2005
Attorney Docket No. 10113491**REMARKS**

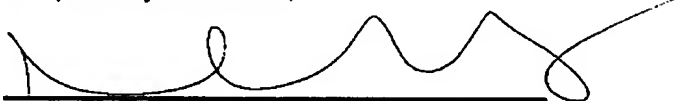

Pursuant to 37 C.F.R. 1.111(a)(2)(E), Applicant respectfully requests entry of this supplement amendment to correct informalities in the specification.

This amendment corrects two informalities in the original specification. Namely, this amendment cancels typographical error that the preferred thickness of the second insulating layer is 50Å, as this thickness falls outside of the described range of 200-400Å. In addition, a grammatical error in the sentence beginning on page 6, line 20 is corrected to improve the readability of the sentence.

Conclusion

The Applicant believes that the application is now in condition for allowance and respectfully requests so.

Respectfully submitted,

Nelson A. Quintero
